Art Unit: 2833

An examiner's amendment to the record appears below. Should the change be unacceptable to applicant, an amendment may be filed as provided by 37 CFR

1.312. To ensure consideration of such an amendment, it MUST be submitted

no later than the payment of the issue fee.

The application has been amended as follows:

The examiner has changed the dependency of **claim 7** from claim 6 (which has

been cancelled) to claim 1 as apparently intended by applicant.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
